

Volunteer Team Leader

Overview

We are seeking a dedicated and inspiring individual to serve as a Volunteer Team Leader for our organization. This crucial leadership role involves coordinating and motivating a team of volunteers to effectively accomplish our mission while creating a positive, rewarding experience for all team members. The Team Leader serves as the bridge between organizational leadership and frontline volunteers, ensuring clear communication and strong teamwork.

Readiness Roles

- Help organize readiness events, team meetings, and practice drills

Recovery Roles

- Lead emergency repair or response teams
- Assess and document repair needs
- Supervise volunteer repair crews
- Communicate updates and needs to leadership
- Gather feedback after the event to improve future response efforts

Qualifications

- Previous volunteer experience with our organization or similar initiatives preferred
- Strong interpersonal and communication skills
- Ability to motivate and inspire others toward common goals
- Basic organizational and planning capabilities
- Approachable leadership style with good listening skills
- Reliability and commitment to follow through
- Problem-solving abilities and flexibility when facing challenges
- Passion for our organization's mission and values

Time Commitment

- Varies by event and needs

Benefits

- Develop valuable leadership and management skills
- Expanded networking opportunities within the organization and community
- Deeper engagement with our mission and impact
- Satisfaction from helping other volunteers maximize their contributions
- Recognition as a key contributor to organizational success
